Dear Irving ISD Supporter,

On behalf of the students and staff of Irving ISD, I thank you for your support of the children and school district. Your involvement shows your commitment to our public schools and to the community and families we serve. Whether you are associated with the Partners in Education program, a donor with the Irving Schools Foundation or a partner with the Career and Technical Education programs, I commend you for the role you play in shaping tomorrow's workforce and leaders.

It's an honor to work in a school system where so many supporters come together in the best interest of the students and school district. In Irving ISD, we have a saying that **Our House is Your House**. Your participation demonstrates that sentiment and sets an example for other corporate and community partners.

With your support, our students have valuable resources available to them that directly contribute to their success and well-being. I appreciate your time and contribution to the students and programs throughout Irving ISD.

Thank you for helping us make dreams come true in Irving ISD,
where children come first.

Sincerely,
